Sir:

Applicant wishes to thank the Examiner for the courtesies extended to the undersigned during the telephone interview of December 29, 2003. The undersigned requested clarification of the status of claim 24 and the Examiner indicated that the claim was rejected and a new Office Action would be mailed to Applicant. The undersigned and the Examiner discussed the arguments for patentability set forth in the response dated August 22, 2003 and the rejections set forth in the Office Action dated October 7, 2003. The undersigned also presented arguments that the October 7, 2003 was improperly made

final due to the fact that new claims were presented with the response dated August 22, 2003. No agreement was reached regarding the patentability of any pending claim and the Examiner refused to withdraw the finality of the Office Action.

The Examiner is requested to phone the undersigned if the Examiner believes such would facilitate prosecution of the present application. The undersigned is available for telephone consultation at any time during normal business hours (Pacific Time Zone).

Respectfully submitted,

Dated: 2/6/04
